### Purpose

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

Boolarra Primary School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

The Principal and school leaders of Boolarra Primary School will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments. The Principal and school leaders of Boolarra Primary School will also provide information and support to enable the Code of Conduct to operate effectively.

All Boolarra Primary School staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

## Acceptable behaviours

As Boolarra Primary School, staff, volunteers, contractors, and any other member of our school community involved in child-connected work, we are responsible for supporting and promoting the safety of children by:

- upholding our Boolarra Primary School commitment to child safety at all times and adhering to our Child Safety and Wellbeing Policy
- treating students and families in our school community with respect in our school environment and outside our school environment as part of normal social and community activities
- listening and responding to the views and concerns of students, particularly if they disclose that they or another child or student has been abused or are worried about their safety or the safety of another child or student
- promoting the cultural safety, participation and empowerment of Aboriginal students, students with culturally and/or linguistically diverse backgrounds, students with a disability, international students, students who are unable to live at home and lesbian, gay, bisexual, transgender and intersex (LGBTIQ+) students

- reporting any allegations of child abuse or other child safety concerns to our child safety officer, Christina Larrad and Principal, Susan Duncan
- understanding and complying with all reporting and disclosure obligations (including mandatory reporting) in line with our Child Safety Responding and Reporting Policy and Procedures (available on our school website [boolarra.vic.edu.au](http://boolarra.vic.edu.au)) and the [PROTECT Four Critical Actions](#)
- if child abuse is suspected, ensuring as quickly as possible that the student(s) are safe and protected from harm
