Student Reports

Next Week Semester One Reports will be sent home. Reporting is one process teachers use to provide feedback to parents/ carers and students about learning progress. I hope the following explanation will help you to understand the report format. The second page of your child's report will show where your child's learning progress is compared to the Victorian Curriculum. The General Comments section provides an overview of your child's progress across various areas such as academics, social skills, behaviour, and attitude towards learning. This section gives you a holistic understanding of your child's overall development by highlighting strengths and areas for improvement. If you have any concerns with your child's progress, please contact your child's teacher.

Keeping Safe Online

Last Friday, Matt came and spoke to our students about keeping Safe Online and follows up on our work in Term One. Hearing information from multiple sources helps students to believe in the advice. Matt spoke about the importance of keeping information private, trolling, catfishing, and grooming. We would love parents and guardians to follow up by discussing these safety tips with your child. Please see the links below that may help to guide your discussion. Children learn best when they recall and retrieve information. If we don't use it, we lose it. These resources include some great parenting tips as well.

A huge shout out to the Blacks who volunteer every Wednesday to cook breakfast for our students. Mrs Black's jam is simply the best. The bread and oats are supplied by Foodbank.

If you look closely you will see a special visitor who came to school last week. We are so fortunate to have such a beautiful environment to learn in.

Book Fair

Thanks to our school and kinder community we had \$888 in sales at our Book Fair. This allowed us to purchase \$227 worth of books for our library from Scholastic. We would like to thank everyone for their generous contributions purchasing books their children will love, which also enabled us to broaden the offerings of our school library.

Bricks4Kidz Lego Workshop and Bee - Incursion

This week we had two incursions. The first was a lego incursion. The F-2 students were joined by Boolarra Kinder and worked together to build a motorized windmill. The 3-6 students used coding to make their windmills move and make noise.

The next day, the F-2 students walked up to the Kinder to join them for their bee incursion. The speaker was very informative and the kids really enjoyed seeing the bees and tasking the honey.

On the 14th June Bricks4Kidz came for a incursion at Boolarra Primary School. The first thing we did is pick a partner. Then we made Lego windmills. We had to add motors to make them work. Once we built it we got an iPad and coded the windmill to make sounds and move the blades. It was really fun and a great experience. By Lucinda.

Bee Incursion

BIG NEWS—Our out of School Hours Care is back, bigger and better than ever, running five days per week. If you would like your child enrolled for out of school hours care please come and get an enrolment form.

WHAT'S BEEN HAPPENING AT **O.S.H.C?**

Hey! We're BIG and we're your after-school care provider at Boolarra Primary! Let me tell you a little bit about us.

We run every afternoon in the room next to the library and always serve up some nutritional, delicious food for the children. We do HEAPS of amazing activities that the children help plan out for every single day!

We'd love to see you at our next OSH session, and you can grab more information from your school office!

- This term we are planning to do;
Amazing artwork/craft activities
Sporting games outside
Cooking/Food craft activities
Board game competitions
Scavenger hunts and lots of fun things to keep your children busy after school!

Students of the Week

Students of the Week

Week 7 Term 2 Billie For demonstrating our value of respect by listening during class discussions.		Week 8 Term 2 Ivy-Rose For trying very hard with her summarising of the stolen generation exercise.	
Week 7 Term 2 Callen For showing responsibility and engagement throughout all learning tasks.		Week 8 Term 2 Charli For her hard work and determination in writing and maths.	
Week 7 Term 2 Kodee For always demonstrating our school values of "ASPIRATION" and "ENGAGEMENT". You always stay focussed on your learning and accept feedback with a big smile!		Week 8 Term 2 NO AWARD	

We say farewell to Kieran who has been with us for only a short time as a placement student teacher who showed dedication and friendliness to everyone.

Positive Yard Behaviour

Congratulations to the following students. You have demonstrated our school values out in the Yard:

Students can choose an item from our prize box or a hot chip lunch on Friday

We hope these students have a brilliant time celebrating becoming one year older. Happy Birthday from all of us at Boolarra PS!

CURRICULUM CONTRIBUTIONS—PARENT PAYMENTS 2023

We are asking \$150 for 2023 curriculum contributions. We thank those of you who have already contributed.

If you would still like to make payments for this year's curriculum contributions you are welcome to do so or if you are not sure if you have contributed and would like to do so, please telephone the office on 5169 6471.

Our bank account details are BSB 063522 Account No. 1006 8539. Please use your child's name as reference and contributions for easy receipting.

Attendance Requirements

If your child is sick or absent, you are required to notify the school as soon as possible on the day of absence, through SkoolBag or phone

Notifying the school of your child's absence either prior to, or on the day that they will be away, helps ensure the safety and wellbeing of children and will fulfil your legal responsibility.

From the end of Term 2 2018, all Victorian government schools are required to contact parents/carers as soon as practicable on the same day of an unexplained student absence. If your child is absent on a particular day and you have not contacted the school to explain why or the school has not been able to contact you, the absence will be marked as unexplained.

This system also promotes daily school attendance. Going to school every day is the single most important part of your child's education, they learn new things every day – missing school puts them behind.

The <insert school name> Attendance Policy which outlines the school's processes and procedures for monitoring, recording and following-up of student absences is available <insert details>.

For an effective way of receiving our school emails and other notifications and notices if you do not use our website, please follow this link to jump on board with our SkoolBag App.

You can also enter your child's absence from school.

JUST A REMINDER.....

If your child is absent

Please let us know by calling on 5169 6471 or entering the absence via the Skoolbag app by 8.45am.

Thank you
