

Webex Protocols

- We will continue to use Webex for videoconferences with students.
- Teachers will email the link to sessions to parents/carers the morning of a session.
- Classroom teachers can be contacted by email or on Seesaw. In an emergency, please phone the school office.
- Students who cannot participate in videoconferences will be contacted by phone at least twice a week.

When on a videoconference.

Follow our school expectations about behaviour and language. Demonstrate our school values of Responsibility and Respect.

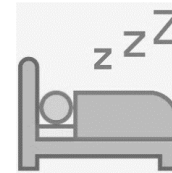

Eat and drink after your videoconferencing lesson has finished, not during.

Wear appropriate clothing. Pyjamas are for sleeping!

Finally - be ready to learn! Your teacher will tell you what you need to bring to your Webex. Have it with you, ready to go.

Turn other screens off! Demonstrate the school values of engagement and give your undivided attention to your Webex.

Your bed is for sleeping, not for videoconferencing! Join us for lessons in the lounge room or kitchen.

Try and find a quiet place for your Webex. Make sure an adult is within listening distance.
